

LMRA Membership Application

Why Should I Join Lake Martin Resource Association?

See if you agree with these 3 core missions:

- **Beauty**

You enjoy its beauty. The first and most lasting impression of Lake Martin is beauty. That's why we organize regular trash drives for the lake and neighborhoods. *We picked up over 20 tons of garbage last year alone!* Our volunteers are not paid, but trash barges cost to maintain, fuel, and insure.

- **Safety**

You want it to be safe. *Hazard buoys save boats and lives. Period.* Hitting a submerged rock at speed can ruin your day, your boat, or far worse. LMRA has strategically installed over 400 buoys, including 80 lighted buoys at our cost, from membership dues.

- **Protection**

You want Lake Martin to remain a Lake. Lake Martin's 'full pool' doesn't just happen. Other states, developers, and lobbyists want to direct water *away from* Lake Martin for their purposes. LMRA fights this tedious, technical, and sometimes contentious battle so you can enjoy a full lake, earlier and longer. We've been winning so far, but it's expensive and paid out of membership dues.

[Lake Martin Resource Association](#) exists for these primary causes, plus many Lake-related missions. We do it for you. For Lake Martin. For all of us. Thank you for your membership.

YES! I love Lake Martin too and want to join at the following annual level:

- Deckmate \$40
- Captain \$75
- Admiral \$100
- + Amount if *more* than \$100 _____ ← BIG THANK YOU!

Pay by check by completing the form below and mailing to:

LMRA
2544 Willow Point Road
Alexander City, AL 35010

OR join securely online at lmra.info/join-us.
